

KAWTHER AL NAZWANI

INSTRUCTIONAL DESIGNER & DEVELOPER

ABOUT ME

Dedicated and highly organized instructional designer and IT lecturer with a strong background in instructional technologies and IT education. I have extensive experience in teaching and training, managing e-learning projects, and developing content across a range of tools and LMS platforms. My skill set also includes graphic and motion design, enabling me to create engaging, learner-centered digital experiences that combine pedagogy with creativity and technical precision.
